

DONALD JOHN TRUMP

December 13, 2012

Dear Steve,

Thank you for the framed photo of Trump National Golf Club, Jupiter --- an amazing shot and truly appreciated!

We are very excited about the purchase and we are going to make it a fantastic course. Thank you again --- you are a great guy.

Best wishes for a happy and healthy New Year!

Sincerely,

A handwritten signature in black ink, appearing to read 'Donald Trump', written in a cursive style.
